

ST BENEDICT'S

WELCOME

St Benedict's is one of South Africa's largest and most successful Catholic Schools. The school is situated in Bedfordview, Gauteng; operates as three schools and currently caters for 650 College, 400 Preparatory and 400 Junior Preparatory boys from reception in Grade 00 through to matriculation in Grade 12.

Founded by the Oblates of Mary Immaculate in 1958, the school is owned by the St Benedict's Trust and is administered by a Board of Governors. The day-to-day management of the school is conducted by the Executive Head, Heads of School, Deputies, the School Chaplain and well-qualified academic and sports staff. St Benedict's is affiliated to the Independent Schools Association of Southern Africa, the International Boys' School Coalition and the Catholic Board of Education. The school is fully accredited.

St Benedict's is in every sense a distinctly Catholic School, where Christian formation is seen as its fundamental purpose. It is a school with a proud academic tradition, producing consistently outstanding results in the Independent Examinations Board (IEB) matriculation examinations. There has been no failure at the Grade 12 level for over forty years and University Entrance pass rates are generally in excess of 95%.

All boys participate in sport at St Benedict's. Our unique "integrated day," where much of the boys' sport takes place during school hours, has seen the school develop into a well-respected sporting participant. The same rigorous approach to academics is adopted in sport - with coaching and sporting facilities that rank amongst the best.

In the College, participation in sport (or the Pipe Band) is compulsory for all: Hockey or Rugby in the winter months and Aquatics (Swimming and Waterpolo), Basketball, Cricket, Rowing or Tennis in the summer months. Additional but optional sporting activities offered outside of the integrated day include Air Rifle Shooting, Athletics, Cross Country, Golf, Soccer and Squash.

Within certain parameters, boys in Grades 10 - 12 may elect instead to participate in the following alternate activities during the integrated day: Drama, First Aid, Music (Private tuition) and Pipe Band.

In the Preparatory School, a seasonal sport is compulsory for all: boys may choose between team and individual sports like Swimming, Cricket, Athletics, Cross-Country, Rugby, Soccer, Tennis and Hockey, with Rowing, Basketball, Waterpolo and Golf as additional codes for senior boys. Grade 3 - 7 boys develop a healthy body and co-operative skills through friendly competition.

Boys are also encouraged to participate in a wide range of cultural activities, including Public Speaking, Debating, Drama, Chess, Choir, the Marimba Band, the Music School and the Pipe Band.

In the Junior Preparatory School, all boys participate in sport during the school day. Extramural summer and winter sports are offered from Grade 1 where the emphasis is on participation and friendly games. Additional afternoon activities include Art, Chess, Choir, Music, Technology, Science, Masterchef, Science and Nature clubs. Privately run activities include Swimming, Karate, Italian and Portuguese, Speech and Drama.

TRANSPORT

School buses currently operate daily, bringing boys from Grade 4 to school from Alberton, Brackenhurst, Edenvale, Benoni, Boksburg, Germiston, Glenvista, Thornhill Estates and Greenstone. Buses return home daily (except Wednesdays) departing at 15:10.

BOARDING

Bishop Grandin House is the boarding establishment on the school property catering to boys from Grade 8 to Grade 12.

Both termly and weekly boarding are available.

AFTER SCHOOL CENTRE

The facilities at the Joseph Gerard Aftercare Centre rank amongst the best in Johannesburg and include a computer centre, library, games room, homework rooms, kitchen, dining area and grade-specific playgrounds. The centre operates from 13:00 to 17:30 on weekdays. Boys in the centre partake in a hearty lunch before supervised homework sessions and participate in indoor and outdoor activities specially designed to meet the needs of boys. Payments are made to the Accounts Office only.

After School Centre Fees for 2022 are R1 700 (x10 months). Contact: Mrs Isabel Rodrigues, convenor of the Centre: 082 569 2151 or 011 455 3544. The After School Centre operates from 13:00 to 17:30 daily. It is closed for the December holidays. A Holiday Club operates from 7:30 to 17:00 during the August holidays and for the first two weeks of December at an extra cost.

ST BENEDICT'S

ACADEMIC PROGRAMMES

From Grade 00 to Grade 12, the academic curricula are based on the National Curriculum which is skills-based and compatible, therefore, with the best international approaches to teaching and learning. Our teaching and learning strategies are progressive and innovative and are specifically designed to meet the academic needs of boys in a learner-centred environment.

Our staff promote creative and lateral thinking. Throughout the school, the accent is on the acquisition of problem solving and critical thinking skills. Within our ACTIVE Curriculum, boys are encouraged to embrace a collaborative and entrepreneurial spirit in their approach to learning and assessment. St Benedict's offers a school-specific IT curriculum from Grade 00 to Grade 9 that teaches the following skills: hardware and devices, software applications (Google, Windows products and other educational apps), operating systems (Windows, Apple and Google environment), networks, digital citizenship, web browsing and communication and programming. Boys are equipped to embrace technology as part of the learning environment.

The school offers three official languages: English, Afrikaans and isiZulu. English is taught at Home Language level and is also the medium of instruction. The additional languages are given equal status from Grade 1-3, whereafter boys elect to take either Afrikaans or isiZulu at First Additional Language level.

In the Foundation phase (Grade 00 to Grade 3), in addition to the languages, boys are taught Mathematics, Art, Life Skills, Information Technology, Music and Physical Education. In our Preparatory School, the core curriculum consists of Mathematics, Natural Sciences and Social Sciences. Our extended curriculum in the Preparatory includes IT, Visual Art, Music and Life Orientation in all grades. The Grade 7 boys pick up Economic Management Sciences at the start of the GETC phase.

In Grades 8 and 9, in addition to English (Home Language) and Afrikaans or isiZulu as a First Additional Language, boys take Mathematics, Drama, Music and Visual Art, Economic Management Sciences and Accounting, Physical Science and Life Science, Geography and History, IT and Life Orientation. From Grade 10 onwards, boys are prepared to write the IEB National Senior Certificate, the high-quality independent examination that is favoured by almost all independent schools in Southern Africa. For this qualification, boys take four core subjects and three choice subjects:

Core Subjects: English (Home Language), Afrikaans or isiZulu (First Additional Language), Mathematics or Mathematical Literacy and Life Orientation.

Choice Subjects: Accounting, Business Studies, Dramatic Art, Geography, History, Information Technology, Life Sciences, Music, Physical Sciences and Visual Art.

From Grade 10 onwards, Advanced Programme Mathematics and Advanced Programme English are available to boys by invitation.

As a Catholic school, part of our spiritual focus is to grow men of integrity who understand, appreciate and are prepared to live the gospel values that underlie a moral, Christian life. For this reason, Religious Education is compulsory for all boys throughout the school.

ADMISSION PROCEDURE

The two main entry points to St Benedict's are at the Grade 00/0 and Grade 8 levels. Placement in other grades is dependent on vacancies occurring. Pupils are admitted to Grade 00 in the year in which they turn five and into Grade 0 in the year in which they turn six. In Grade 0, there are 100 places available, catering for four classes of 25 boys.

Placement assessments take place for the admission of pupils from Grade 1 to Grade 12.

Normally, new pupils are not accepted into Grade 11 or Grade 12 (unless parents have moved into our feeder area or boys have attended other Catholic or independent schools). Entrance exams are followed by an interview, conducted by the Head, Deputy Head or Head of House. Ideally both parents and son need to attend the interview.

The school reserves the right to conduct a credit check on all prospective applicants.

OUR FACILITIES

MAIN CAMPUS

7 Sportsfields; 1 Astroturf facility; 8 Tennis Courts; 2 Basketball Courts; Gymnasium; Indoor Pool; Indoor Cricket Centre/Multi-purpose Hall; 8 Outdoor Turf Nets and 6 Outdoor Astro Nets; 50-metre Outdoor Pool; Rugby and Cricket Pavilion; Hockey Pavilion; Rowing Centre; Pipe Band Room; Bibliotech, 3 Computer Centres; Chapel; Box Theatre; 4 Music Tuition Rooms; Tuck Shops and Restaurant.

PREPARATORY SCHOOL

Aftercare Centre; RE Room; Auditorium; Bibliotech Science Laboratory; Computer Room; Art Studio; Library and extended reading area; Therapy Rooms.

BANK DETAILS

Account Name: St Benedict's Trust
 Bank: First National Bank
 Account No: 55275101604
 Branch: Eastgate (257705)

NON-REFUNDABLE ENROLMENT FEE

All new admissions to St Benedict's are required to pay a non-refundable enrolment fee within one month of acceptance:

Grade 00 Enrolment Fee	R5 000 - an additional R10 000 is payable when entering Grade 0
Junior Preparatory Enrolment Fee	R15 000
Preparatory Enrolment Fee	R12 500
College Enrolment Fee	R10 000

In terms of the agreement signed by parents/guardians at the time of their son's enrolment, a full term's notice in writing is required if it is their intention to remove their son from the School or Boarding House. Alternatively a full term's fees in lieu of notice is required. Adequate notice is appreciated as it allows for timeous arrangements to be made for the reallocation of places at the school and Boarding House.

REBATES

To assist parents who have more than one child enrolled at St Benedict's and our sister schools Assumption (Malvern) and Holy Rosary (Edenvale) - application can be made for a rebate on the St Benedict's School Fee: 5% - two children enrolled; 10% - three children; 15% - four children; 20% five children.

This rebate is not applicable for families who have a son on scholarship or bursary at St Benedict's.

CAPITAL DEVELOPMENT LEVY

Income from the capex levy and the non-refundable enrolment fee is used for the improvement and provision of school facilities.

SCHOOL TOURS AND EXCURSIONS

Additional charges are levied in respect of school tours and excursions. No charge is levied, however, for the conveyance of pupils to or from normal sports activities.

RAVENS SPORTS CENTRE

No charge is levied in respect of boys making use of the sports centre. Boys must, however, be 14 years or older before being allowed use of this facility.

ADDITIONAL BILLINGS

Parents will be notified in writing of all additional billings to be added to their account. Additional billings are described in the School's Additional Billing Policy.

TEXT BOOKS

Reading books are issued on loan to pupils from Grade 00 to 3. Pupils from Grade 4 to 12 are required to purchase their own text books.

STATIONERY

All Grade 4 to 12 pupils are required to provide their own stationery and equipment as per the list supplied by the school. In Grade 00 to 3 parents purchase stationery packs prepared by the school.

SCHOLARSHIPS

St Benedict's offers a limited number of scholarships each year to boys entering the College at Grade 8. No scholarships are offered to boys entering at any other grade or to boys who are currently enrolled in another grade at the school.

Whilst boys are usually "invited" to write the scholarship exam, the selection process is open to all boys who wish to participate - including Grade 7 boys from our own Preparatory School. Only boys who achieved an academic average of 70% (Level 6) at the end of Grade 6 will be admitted to the scholarship process.

The Examinations consist of two papers usually written in March of every year.

The awarding of scholarships is based on the results achieved by the candidates in the Scholarship Examinations, documentation in support of extramural achievements, a testimonial from current school and interview with the Headmaster/Deputy.

Scholarships take the form of a percentage subsidy of school fees for a period of five years provided the recipient continues to conform to the College's standards of conduct, academic work, extramural progress and level of commitment.

BURSARIES

A small sum of money is provided by the St Benedict's Trust each year to assist parents experiencing temporary financial difficulty by providing partial bursaries for pupils. As resources are limited, assistance can be provided in only the most needy circumstances and to pupils whose behaviour and scholastic progress is regarded as satisfactory. Such assistance needs to be applied for in October for the following year.
