QUALIFICATIONS & CAREER SUMMARY

ROLE AT BENNIES

I look after the day to day operations in the College, I oversee the sports component of the Futures and Strategic Council as well as oversee the grounds and maintenance for the whole of St Benedicts.

VIEWS ON DIVERSITY

We need to accept that each is different and we have all been born in different time periods within our complicated history. The more we get to know one another the more unified we will become as a community and a country. For us as educators, this is an extremely exciting period in our history and we have the ability to right the wrongs of the past and make great strides in healing the nation.

BRIEF FAMILY BACKGROUND

I am the 4th oldest out of 5 siblings. I have three older sisters and a younger brother. My father spent 45 years in the banking industry while my mother was a housewife.

ONE WORD THAT SUMMARISES MY EXPERIENCE AT BENNIES

DELIGHTFUL

MY FAVOURITE PILLAR

It is difficult to single out one pillar over another however my background is **sport** and therefore I would possibly lean more in this direction.

MY FAVOURITE QUOTE
