

ST BENEDICT'S

ST BENEDICT'S SCHOOL SONG:

Our college was founded in late fifty-eight
Foundations so solid on which to create.
Divided in houses red, yellow, green, blue;
United in faith to our school we are true.

*St Benedict's, St Benedict's, Truth in Charity;
Veritas in Caritate, my school is this to me.*

From new boy to head boy, we all belong here;
In God's care we shall love one another in prayer;
Accept each is diff'rent, each plays his own game;
United in faith, for our God is the same.

*St Benedict's, St Benedict's, Truth in Charity;
Veritas in Caritate, my school is this to me.*

When the gates close behind me for the very last time,
In my heart I shall keep all the mem'ries of mine;
All the joys, all the sorrows, we share to the end;
United in faith, knowing God is our friend.

*St Benedict's, St Benedict's, Truth in Charity;
Veritas in Caritate, my school is this to me.*
