Month of Mary

May is the Month of Mary. For centuries, the Catholic Church has set aside the entire month of May to honour Mary, Mother of God. Not just a day in May, but the entire month.

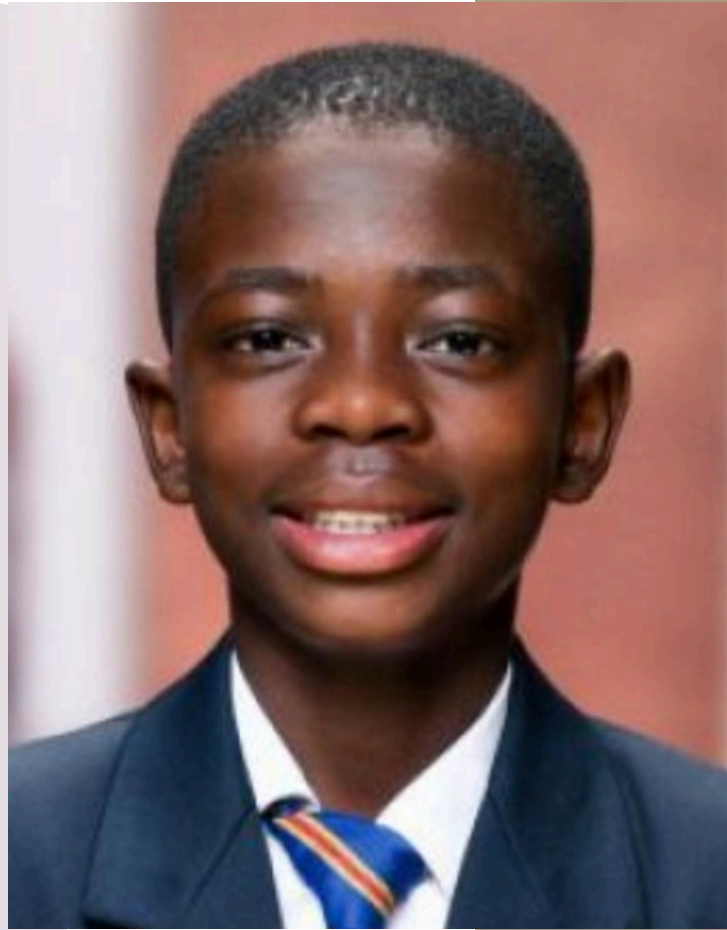

The month of May is a special time for Catholics to pay homage to our Blessed Mother Mary. We pay homage to her. Contrary to misconceptions, we do not worship her. As Catholics, we honor Mary.

New Boarder

My name is Thato Zenzile

I'm currently in Grade 8 at Saint Benedict's College, experiencing my first year as a boarder. This new chapter has been incredibly rewarding, teaching me the values of independence and responsibility. The supportive environment at St. Benedict's has helped me navigate this transition smoothly, allowing me to grow both academically and personally. Being a boarder has given me the opportunity to develop a strong sense of community and build lasting friendships with my peers. The structured schedule and dedicated study times have greatly enhanced my academic performance, enabling me to focus on my subjects and achieve better results. Additionally, the various extracurricular activities offered at St. Benedict's have allowed me to explore new interests and talents, fostering a well-rounded development. My goals for the future include excelling in my studies, participating actively in school activities, and making the most of the opportunities provided to me.

The Trial

The Drama boys performance at Freda

As a boarder performing at Freda for the first time, this was one terrifying yet surprisingly interesting experience I have ever had. Working with my brothers in the boarding house and the homies in the daily college made me realise that these are moments you must always keep to heart, especially out there in a world full of “Trials”. I will always remember the way the adjudicator complimented us as the professional performers and how our play was “yummy”.
